

Never place HHW in ordinary trash for landfill disposal

Students living at Cuarto, Segundo, or Tercero residence halls may dispose of HHW safely and properly at no charge. Contact shds.sustainability@ucdavis.edu for disposal instructions.

housing.ucdavis.edu/sustainability/waste-diversion-guide

HHW Examples:

Please do not mix wastes together

- | | | |
|--|--|--|
| <ul style="list-style-type: none"> acids antifreeze appliances, small (micro-fridge, microwave) automotive products batteries brake / transmission fluid electric switches/relays | <ul style="list-style-type: none"> electronic devices with a circuit board (e-waste) fireworks fire extinguishers fluorescent bulbs & tubes gasoline & flammables household cleaners mercury thermometers | <ul style="list-style-type: none"> paint (latex or oil based) pesticides & herbicides poisons propane tanks solvents unknown cylinders unknown substances used motor oil & filters |
|--|--|--|
